UC San Diego Clinical Geriatrics Interprofessional Symposium

October 4 - 5, 2014
UCSD Skaggs School of Pharmacy and Pharmaceutical Sciences

Reinventing how we care for older adults and training health professionals today to help shape tomorrow....

PROGRAM OVERVIEW

The UC San Diego Geriatrics Division and Fellowship Program are proud to host their first inaugural Clinical Geriatrics Interprofessional Symposium. This symposium will focus on core issues often pertinent in providing quality, patient-centered clinical care for the elderly. This two-day course will provide participants with the latest strategies for addressing topics, such as delirium prevention, wound care, geriatric pharmacology concerns, end-of-life decisions and palliative care, along with ensuring good transitions of care. Building on the often interdisciplinary nature of geriatrics care, lectures will include panel presentations by multiple levels of care providers with ample opportunity for participant engagement and discussion. Speakers and facilitators will largely include faculty and staff from UC San Diego’s nationally recognized geriatrics program and the VA San Diego Healthcare System.

TARGET AUDIENCE

The target audience for this activity includes health care professionals who care for older adults, including physicians, registered nurses, nurse practitioners, pharmacists, physical and occupational therapists, and social workers. The content covered during this symposium will be applicable within multiple settings, particularly within acute, post-acute, long-term care, palliative and home care environments.

PROGRAM OBJECTIVES

At the conclusion of this conference, participants should be able to:

- Employ the principles of geriatric medicine;
- Discuss current management techniques and treatments available for different geriatric conditions;
- Identify patient-centered and system-wide strategies designed to reduce iatrogenic events;
- Describe the various levels of care and when a transition is most appropriate; and
- Recognize psychosocial issues that can impact care and decision-making.

ACCREDITATION

The University of California, San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of California, San Diego School of Medicine designates this live activity for a maximum of 11.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. BBS: Course meets the qualifications for 11.25 hours of continuing education credit for MFTs and/or LCSWs as required by the California Board of Behavioral Sciences. (UC San Diego Provider Number PCE 683). Nurses: For the purposes of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME. For the purpose of relicensure, the California Board of Registered Nursing accepts AMA PRA Category 1 Credit(s)™ (report up to 11.25 hours of credit and list “CME Category 1” as the provider number).

UC San Diego Division of Geriatrics / VA San Diego Healthcare System

LOCATION
This event is to be held on the UCSD La Jolla campus at the UCSD Skaggs School of Pharmacy and Pharmaceutical Sciences in the Education Center on the basement level. This building is located on Osler Lane off of Gilman Drive. See http://maps.ucsd.edu. Parking is available in the adjacent lots. Please note the event is not sponsored by the Health Sciences Education Center. For questions about this event and the location, please contact Jennifer Reichstadt, MSG at 619-543-7832 or jreichst@ucsd.edu

AGENDA (SUBJECT TO CHANGE)

DAY 1 (OCTOBER 4)
7:30am CONTINENTAL BREAKFAST AND REGISTRATION
8:00am WELCOME AND OVERVIEW (DIANE CHAU, MD, FACP AND COLIN THOMAS, MD, MPH))
8:30am SESSION I: TRANSITIONS OF CARE
9:45am BREAK
10:00am SESSION II: DELIRIUM PREVENTION STRATEGIES
12:00pm LUNCH
1:15pm SESSION III: MENTAL HEALTH
3:00pm BREAK
3:15pm SESSION IV: FRAILTY AND FAILURE TO THRIVE
4:45pm DAY 1 CLOSING REMARKS

DAY 2 (OCTOBER 5)
8:00am SESSION V: WOUND CARE
9:15am SESSION VI: GERIATRIC REHABILITATION AND FALLS
10:30am BREAK
10:45am SESSION VII: GERIATRIC PHARMACOLOGY
12:15pm LUNCH
1:15pm SESSION VIII: END-OF-LIFE AND PALLIATIVE CARE AND MEDICAL ETHICS
2:45pm PROGRAM CONCLUSION AND CLOSING REMARKS

SPONSORSHIP AND EXHIBITOR OPPORTUNITIES
We welcome the support of this activity in the form of educational grants. In addition, exhibitor opportunities are available. For information, please contact Jennifer Reichstadt, MSG, at 619-543-7832 or jreichst@ucsd.edu.

CULTURAL AND LINGUISTIC COMPETENCY
This activity is in compliance with California Assembly Bill 1195 which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. Cultural competency is defined as a set of integrated attitudes, knowledge, and skills that enables health care professionals or organizations to care effectively for patients from diverse cultures, groups, and communities. Linguistic competency is defined as the ability of a physician or surgeon to provide patients who do not speak English or who have limited ability to speak English, direct communication in the patient’s primary language. Cultural and linguistic competency was incorporated into the planning of this activity. Additional resources on cultural and linguistic competency and information about AB1195 can be found on the UCSD CME website at http://cme.ucsd.edu.

DISCLOSURE STATEMENT
It is the policy of the University of California, San Diego School of Medicine to ensure balance, independence, objectivity and scientific rigor. All persons involved in the selection, development and presentation of content are required to disclose any real or apparent conflicts of interest. All conflicts of interest will be resolved prior to an educational activity being delivered to learners through one of the following mechanisms 1) altering the financial relationship with the commercial interest, 2) altering the individual’s control over CME content about the products or services of the commercial interest, and/or 3) validating the activity content through independent peer review. All persons are also required to disclose any discussions of off label/unapproved uses of drugs or devices. Persons who refuse or fail to disclose will be disqualified from participating in the CME activity.
